

A top-down view of a maze game. The maze is composed of dark green walls and light green paths. In the center, a character with a red flag on its head (Mario) stands near a grey elephant-like creature. Several bombs with lit fuses are scattered throughout the maze. Small candles are placed along the walls. The title "MAZE BOMBER" is written in large, white, pixelated letters across the middle of the screen.

MAZE BOMBER

The background of the slide is a screenshot of the game Maze Bomber. It shows a top-down view of a maze with dark green walls and a grey brick floor. In the top-left corner, there is a small green area with a blue character, a bomb, and a health bar. In the bottom-right corner, there is a small green area with a red character, a bomb, and a health bar. The title "What is it?" is written in a white, pixelated font in the upper left quadrant of the maze.

What is it?

MAZE BOMBER is a game where two or more players can compete against each other. A player can pick up bombs and place them on the map to destroy walls and kill their opponents.

- Top-down
- Pixel art
- Multiplayer arena game, up to 4 players
- Randomly generated maps

Core Setting

- Randomly generated maze
 - Walls can be destroyed
- Resources and powerups
 - Randomly spawn over time

Player's actions

- Navigate through the map
- Place bombs
- Pick up powerups

What's the goal?

The main goal of the game is kill the opponent by draining their life.

How do we achieve that?

- Plant bombs that you gather to carve a path through the maze
- Collect power-ups and more bombs to boost your chances!
